## AVID Elementary

### Vision:

All students will have access to a path to success.

### Mission:

The mission of AVID Elementary is to ensure all students will:

- Demonstrate Writing, Inquiry, Collaboration, Organization, and Reading skills (WICOR);
- Utilize organization skills;
- Develop student success skills; and
- Successfully make the transition to middle school.

### Purposes:

1. To cultivate intrinsic motivation by:
  - a. Creating a vision of academic success.
  - b. Creating a belief that academic rigor is expected, possible, and attainable.

*When a & b are in place, positive self-esteem and self-confidence will follow.*
2. To create better students and teachers through the development of a consistent way to think and process information.
3. To provide equal access to AVID Elementary methodologies for all students.
4. To create a bridge between elementary and middle school.
5. To better identify future AVID students.
